

PERFECTION OF IDEOLOGY

After I was called out of the religious system in the early seventies, Father began to show me the error I was in, and pointing me to the way out of the pagan ways of Religion. It is not easy to lay down something that you have believed with all your heart, only to find out that it had been conceived by the powers that be.

The Call:

You cannot begin to understand what is causing the disturbance and restlessness inside you until you hear the voice of the Spirit. Many times that voice is drowned out by the religious ideology screaming for attention inside of you, or from an outside religious source. What is actually happening is the Spirit of Yah is bidding you to come away with Him. To meet with Him in a wilderness place, away from the crowds, or congregation so you can finally hear what He is saying.

If you find yourself wondering what is happening to you, unsatisfied and longing for something you cannot find in religion, then this message is for you. You are too close to the trees to see the forest. And, how do you know the forest you are in unless you get far enough away from it to see it. What will it hurt to just get alone with your Heavenly Father for just a while and see what He will speak to you? If you try it with no results, then you have lost nothing, but if you begin to hear the still small voice deep within crying for something spiritual, then you have embarked on the most frightening, but satisfying path since you were born of the Spirit.

The first thing you will hear is the Trumpet, voice of the Spirit. "I heard another voice (trumpet) from heaven say: "Come out of her, my people, so that you will not share in her sins, so that you will not receive any of her plagues." Notice it says another voice. That means other than the one you have been hearing. The Heavenly voice instead of the religious one. You will then begin to partake at the Feast of Trumpets.

Although you are a latecomer, for the trumpet has been blowing for some time now, there is still plenty to eat on the table. The simple fact is that you just simply cannot find the Feast of Trumpets in the religious system. The Feast of Trumpets was sounded at the beginning of the last month. It was to mark the beginning of the Feast of Tabernacles in the end of the year called by Yah for His people. The Feast of Trumpets spiritually speaking is the flow of revelation knowledge from the Father.

Renewing the Mind:

"For to be carnally minded is death; but to be spiritually minded is life and peace. Because the carnal mind is enmity against Yah, for it is not subject to the law of Yah, neither indeed can be."

“Do not conform any longer to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what Yah's will is-- His good, pleasing and perfect will.”

“He takes away the first to establish the second.”

The most frightening thing will happen as soon as you make up your mind to follow the voice of the Spirit. You will be stripped of your self-righteous robe, and be found standing naked before the Father of Heaven. You will be shaken to the core. Everything you knew, or thought you knew, about your Heavenly Father will be tested, because you have entered the fire that burns up all the hay, wood and stubble in your life. Remember YahShua came to baptize with the Holy Spirit (**power to overcome**), and FIRE. The fire is for purification, and it starts in our most basic beliefs. The ground you stood upon for so many years becomes quick sand and threatens to swallow you up. Only the strong assuring hand of Father Yah held out to you will save you. It is by faith in His spoken revelation to your heart that will be your deliverance. You will wake up to find that everything you have believed has been so religious, so carnal, so empty and vain. It makes you quake and groan inside. That sounds bad, but it is really good, for you are birthing the truth in you, and the truth will set you free, free from religious bondage, free to find your place in Him.

This is a purification, first by coming out of religion physically, then by submitting to the refining fire that burns up your religious thinking, renewing your mind and then your walk and speech.

“And be renewed in the spirit of your mind and to put on the new self, created to be like Yah in true righteousness and holiness.”

Now that you are naked and see your need of clothing, then you are ready to put on His righteousness. It will not be an easy road. The narrow way is not always easy, but at the end you will find eternal life, and fellowship with your Heavenly Father. You must count the cost and be willing to suffer with Him so that you may be glorified together with Him. If I can make the journey this far and begin to see with spiritual eyes and hear with spiritual ears, so can you.

The Purpose of Purification:

Well, I had come to the place where I was not having much trouble distinguishing between religious and spiritual, between carnal and spiritual, and then Father spoke again. Instead of saying, “Well done my good and faithful servant”, He said, “I have given you power to become a son of Yah”. I really thought I was doing so good, just where Father wanted me to be. Anytime you think you are just where Father wants you to be, you find out just how wrong you are. There is another area or realm in you life that needs bringing into perfection. He wants to take away the first to establish the second. He will take away the servant in you to bring you into His body, into oneness with Him. He will make you fall in love with YahShua, and become one with him. BUT, and that is a

big “but”! YahShua wants you to see the Father. It is not YahShua at all that He wants us to be one with. Once you understand who YahShua was, then you will understand where YahShua was trying to take you. See the article “YahShua Messiyah”. He was not taking a bride as the church teaches; He was in effect bringing many sons unto Glory.

“But we see YahShua, who was made a little lower than the angels, now crowned with glory and honor because He suffered death, so that by the grace of Yah He might taste death for everyone. In bringing many sons to glory, it was fitting that Yah, for whom and through whom everything exists, should make the author of their salvation perfect through suffering. Both the one who makes men holy and those who are made holy are of the same family. So YahShua is not ashamed to call them brothers.”

YahShua came to reconcile us to the Father. To give us POWER to become sons of Yah was the purpose of YahShua, not to take a bride. But, you must discover this for yourself. It comes by revelation of the Spirit and our willingness to bring our ideology into perfection through the spoken truth.

Our Conversation:

“But as He which has called you is holy, so be holy in all manner of conversation, because it is written, Be holy; for I am holy.”

Just about the time I think I have this all down then Father shows me an area where I am still lacking, still speaking as the world speaks, still using the pagan terminology of the religious system. Now, He has embarked upon the chore of purifying my conversation. Now, I must learn the language of heaven, not speaking in tongues, but speak to and of Father as I should, and my life or conversation lining up with His revealed Word. I sure am glad He does not dump this all on us at the same time, but like a schoolmaster, brings us along as we mature. How is it that the Bible teaches we are to learn thing of Yah?

“Whom will He teach knowledge? And, whom will He make to understand the message? Them that are weaned from the milk, and drawn from the breasts. For it is precept upon precept, precept upon precept, line upon line, line upon line; here a little, there a little.”

I am always available to answer the questions of a hungry heart. It is Yah's will that we help one another up the hill to transfiguration. However, keep in mind that it is not revelation knowledge that we should seek, but “HIM”. Spiritual understand will automatically come as we become more aware of “HIM” and become more like “HIM”. Many fall short of full sonship by becoming too caught up in the revelation, and not caught up “IN HIM”. “HE” must have preeminence in our life even in our getting of revelation knowledge. I cannot stress this enough.

The first thing I had to learn is that my words must agree with what He has showed me through revelation.

“For the accuser of our brethren is cast down, which accused them before our Yah day and night. And they overcame him by the blood of the Lamb, and by the word of their testimony.”

YahShua defeated him at the cross and cast him out of heaven. This means the enemy of our soul, carnal thinking and the fallen nature we inherited from Adam that makes us think we are gods and are not. That take being born of incorruptible seed (**Yah**) was cast down and we can now through spiritual eyes see him as a defeated foe. Now our testimony and conversation of life must testify to it. No longer should our language or conversation be that of the world, or the religious spirit in the world and churches. We must speak out of the revelations Yah is giving to us and our conversation of life should reflect that.

Sooner or later you will be tried for the Word’s sake, to see if it has taken root or easily removed. When your testimony or conversation becomes different than what the religious leaders say, you will be persecuted. This is a statement of fact. Yah is behind it for He wishes to see whom you believe, Him or them. Remember in every life there is a Judas, and it is usually religious brethren or someone close to you. They think they are doing Yah a service, and in reality they are. Judas was used to bring the trial of YahShua that led to His death. That was Yah’s plan. And, your Judas will bring a trying of the revelations of HIM. It is by YahShua’s death and the word of our testimony that we overcome and can set down with Him on His throne.

“Blessed are those who are persecuted because of righteousness, for theirs is the kingdom of heaven. Blessed are you when people insult you, persecute you and falsely say all kinds of evil against you because of Me. Rejoice and be glad, because great is your reward in heaven, for in the same way they persecuted the prophets who were before you.”

Now I have come to the place where railings and sharp words no longer hurt me. I have become confident in the election of which I have been called. And, just when I can make my testimony to the world and stand in the face of criticism, ...then I learn that the name of pagan deities are upon my lips. This was such a shocking revelation that I am still trying to catch my breath from that blow.

I am now learning to call my Heavenly Father and my Savior by their true names, instead of the pagan names the Greeks gave us. Yah’s names are Holy, and YahShua is Savior, there is no other NAME under heaven whereby we must be saved. There was a time when Yah winked at my ignorance, but now He has called me to maturity and to repent.

We find a spiritual principle in the statement, *“The spiritual did not come first, but the natural, and after that the spiritual.”* This principle can be seen through out scripture.

Now we know that the prophets prophesied until John the Baptist with literal physical fulfillment. However, emphasizes swung from natural interpretation to spiritual
